REQUIRED DETAILS YOU NEED TO SET UP YOUR PAYPAL ACCOUNT

Note: Ensure that every detail you provide is correct and verifiable. Don't use a fake name or phone number, for example. Ensure that you're **NOT** using a VPN on your phone or computer while creating your account

- First Name
- Last Name
- Business Name
- Phone Number (Nigerian phone number)
- Email Address
- Password (must be at least 10 characters with lower and upper case

alphabets, and numbers):

- Business Address (if you don't have a business address, input your home address; ensure it's the same as the one on your preferred means

of identification):

- City:
- Zip Code (Use google to check the zip code of your location)
- Business Type (choose one): individual; sole proprietorship;

corporation; partnership; private corporate; public corporate;

non-profit organization; or government entity

- Business Description: A short description of what your business is about.
- Business URL (if applicable) - This is optional. You can leave it out
- Customer's Statement Name (i.e the name that would be shown on your
- Customer's card statement when they make a purchase from you):
- Nationality
- Means of Identification (choose one): National ID; Passport; or Driver's License
- ID Number (of the means of identification you chose)
- Date of Birth

STEPS TO TAKE

Step 1: Log in to the email account of the email address you submitted for PayPal registration. PayPal would have sent you three (3) email messages.

Step 2: Open the confirm your email address email message, scroll down, and click on Confirm Email Address. You will be redirected to the PayPal login page enter your PayPal account's email address and password and hit on login. A success message will be prompted on the next webpage informing you that your email address is successfully confirmed. Go back to the email inbox.

Step 3: Open we need additional information from your email message, scroll down, and click on Complete Your Information. You will be redirected to your PayPal account (if you are not logged in yet, you will be prompted to log in), and probably you might be asked for additional information, but in most cases, you will receive a success message that you have provided all information required. Go back to your email inbox.

Step 4: Open the business setup email message, scroll down, and click on the Blue Button. You will be redirected to your PayPal account. In the webpage opened up for you, you will see two (2) sub-headings, payment setup, and business setup. If you are integrating PayPal on your website, then configure the payment settings under the Payment Setup bar. Click on the Business Setup bar, click on confirm your business name; enter the standard and long version of your business name in their respective field, and hit on the Blue Button. If you have a USA bank account, you can click on add bank account, and follow the onscreen instruction to link it to your PayPal, but it's optional.

Step 5: Click on Summary in your PayPal account Interface. You will see an alert telling you to link your credit or debit card, click on it. Enter your card number, card type, CVV number, and expiry date in their respective field, then click on Link Card. (N.B: Link either your MasterCard or Visa debit card). PayPal will deduct \$1.95 from the bank account linked to the card you submitted. Thereafter, your bank will send you a debit alert regarding the debit transaction initiated by PayPal, in the debit description, you will find a four (4) digit number preceded by PP; enter that four (4) digit number in your PayPal account to verify your PayPal account. (If you don't receive any debit alert from your bank, then check your bank statement or exercise patience. Also, the money debited by PayPal would be refunded back to your account)

Step 6: Wait for 24 – 48 hours before using your PayPal account for any transaction.

HOW TO WITHDRAW YOUR PAYPAL FUNDS TO YOUR LOCAL BANK ACCOUNT

You can withdraw your PayPal funds to your local bank account in three ways.

1) By using a prepaid card called International high Africard issued by UBA bank. You don't need to have an account with UBA before you can be issued the card. To get the card, go to any nearest UBA branch with your utility bill, a means of identification (National ID, International Passport, or Driver's License) and at least N2,000 cash. The card cost around N1,000 – N2,000. After getting the card, link it to your PayPal account.

2) By going through PayPal exchange companies. Below is a list of PayPal exchange platforms you can partner with to get your PayPal funds delivered into your local bank account.

- a) <https://ijamexchange.ng>
- b) <https://mytopexchange.com>
- c) <https://365exchanger.com>

3) By using a USA bank account. If you have a USA bank account you can link it to your PayPal account and withdraw your PayPal funds into it.

BONUS

WORK AT HOME: FOREIGN WEBSITES WHERE YOU CAN EARN \$2 - \$20 DAILY

In this guide I will show you a few number of legitimate foreign websites you can register with and earn \$2 - \$20 daily working from the comfort of your home. The money you earn on these websites which I will talk about soon will be sent to your PayPal account once you hit the minimum threshold. I would make this guide as short as possible. Continue reading

...

- **Swagbucks** (<https://swagbucks.com>)

Quick Summary: Swagbucks offers a number of creative opportunities for earning free PayPal money. You can earn points (called SBs) for watching short videos, shopping online, searching the web and answering surveys. Those points are redeemable for PayPal gift cards. Swagbucks may be the best site when it comes to making easy money in your spare time.

App Rating:

- **App Store:** 4.4/5 with 13,900+ reviews
- **Google Play:** 4.2/5 with 40,000+ reviews

Tips To Earn:

- Make sure you're signed up for Swagbucks before your birthday passes, as you'll get 55 SBs deposited into your account as a gift.
- You can earn bonus SBs for hitting weekly and monthly activity goals. In the app, you'll see a meter showing your progress towards your seven, 14, 21, and 31-day targets. You can earn up to 300 extra SBs per month this way.

- Adding the short 10-second videos to your “favorites” list within the app will help you get more of them, which will help you hit your daily points target more quickly.
- Once per month, you can redeem your SBs for a \$25 gift card at 12% off the face value.
- By clicking “Daily Watch” under the “To Do” list, you can earn 100 SBs by letting videos auto play.
- Bookmark the Swagbucks search result for the sites you visit frequently. That way, you’ll earn SBs every time you visit.

Payment Methods: With Swagbucks, you can get free PayPal money, by redeeming 2,500 SBs for a \$25 PayPal gift card. You can also earn free gift cards for Amazon, REI, Target and Visa — among many of your other favorite stores.

Minimum Withdrawal Amount: You can cash out with as few as 300 SBs, which will earn you a \$3 gift card for select retailers. Or you can wait until you’ve reached a minimum of \$25 worth of SBs and redeem your points for free PayPal money.

Time to Get Paid: Once you snag the \$25 PayPal gift card, you’ll have to wait 10 to 14 business days for the money to be transferred.

Swagbucks Quick Summary

- Free to sign up and free to use.
- Make money when you shop online, watch videos, take surveys, and discover deals and promo codes.
- Has paid out over \$400 million in rewards so far, and has an A+ rating from the Better Business Bureau.
- Get \$10 just for signing up.

Click <https://swagbucks.com> to learn more, register and start earning.

- **Rakuten** (<https://www.rakuten.com/>)

Quick Summary: With Rakuten (formally known as Ebates), you can get up to 40% cash-back at over 2,500 store. You don't have to worry about points or forms — just use Rakuten.com or the Rakuten mobile app for your online shopping, and you'll earn cash-back on all of your eligible purchases. Once per quarter (i.e., every four months), you'll receive a free PayPal money payout.

App Rating:

- **App Store:** 4.4/5 with 23,000+ reviews
- **Google Play:** 4.3/5 with 52,000+ reviews

Tips To Earn:

- You can stack coupons you find online with Rakuten at checkout. For a complete and up-to-date list of online coupons, check out [DontPayFull.com](https://www.dontpayfull.com/) before making your purchase.
- If you're looking for a real way to make money from home, you should install the Rakuten browser extension (<https://www.rakuten.com/>) so that you always remember to shop through the platform.
- Check Rakuten's list of "double cash-back" stores, which changes frequently.
- Sign up for other similar cash-back shopping sites. One good option is TopCashBack. Then, check to make sure you're getting the best deal offered at the time.
- Consider using the Rakuten cash-back Visa; you'll earn an additional 3% on qualifying online purchases through Rakuten and 1% cash-back everywhere else.

Payment Methods: You'll get your cash-back in the form of PayPal money or a check (whichever you prefer).

Minimum Withdrawal Amount: You'll need to have earned at least \$5.01 in cash-back to receive your free PayPal money. Otherwise, your balance will carry over into the next period.

Time to Get Paid: Rakuten pays out once every four months. So while it has some of the better cash-back rates you'll find, it's not a way to earn quick money and will require a little bit of patience.

Click this link <https://www.rakuten.com/> to learn more, register and start earning.

- **PrizeRebel** (<https://www.prizerebel.com/>)

Quick Summary: You can sign up for PrizeRebel in less than 10 seconds, start completing surveys immediately, and earn points that are redeemable for PayPal cash (as well as a variety of other gift cards, including Amazon, Walmart and iTunes).

App Rating:

- PrizeRebel does not currently offer an app.

Tips To Earn:

- Most survey sites offer a referral bonus, but PrizeRebel's is huge by comparison. You'll earn 15% to 30% of your referrals' lifetime earnings (depending on your account level).
- You can earn extra points by completing daily goals.

Payment Methods: You can receive your money through PayPal, via gift cards to many of your favorite stores, or through a direct deposit to your bank.

Minimum Withdrawal Amount: You'll need a balance of at least \$2 in order to redeem your points for free PayPal money, or gift cards to places like Amazon and Best Buy.

Time to Get Paid: You'll get paid instantly when you redeem your points.

Click this link <https://www.prizerebel.com/> to learn more, register and start earning.

- **Prolific** (<https://app.prolific.co/>)

Quick Summary: Prolific sends you surveys and studies from top companies and universities, which can be a nice change-of-pace from some of the other (more generic) survey content offered by similar services. Additionally, all of Prolific's surveys pay a minimum of \$6.50 per hour. That's not a lot, but it's better than many other options.

App Rating:

- Prolific does not currently offer an app.

Tips To Earn:

- Refer your friends, because you'll earn 10% of their first cash-outs.
- [Install the Prolific Assistant browser extension](#) to be notified any time a new study is available.

Payment Methods: You'll earn free PayPal money for every survey you take, or you can transfer funds to a Circle account (which is another peer-to-peer payment service that's popular outside of the United States). There's a small fee when you cash-out to PayPal, but the fee is waived if you transfer \$25 or more to Circle.

Minimum Withdrawal Amount: Once your account reaches \$6.50, you'll be able to request payment.

Time to Get Paid: After you complete a survey, it's sent back to the researcher for review. Although he or she will have up to 21 days to approve it, you'll often get approved in one to three days. If the researcher doesn't approve the survey within 21 days, Prolific automatically releases the funds. Those funds will be sent to your PayPal account within five business days.

Click this link <https://app.prolific.co/> to learn more, register and start earning.

- **Grindabuck** (<http://grindabuck.com/>)

Quick Summary: [Grindabuck](http://grindabuck.com/) offers 15 different ways to make extra cash from home. You can watch videos, review ads, take surveys, try new products, complete micro-tasks and more. Once you have enough points, you can convert them to PayPal cash. But one of the most unique things about Grindabuck is that you also have the option of getting paid in Bitcoin.

App Rating:

- Grindabuck does not currently offer an app.

Tips To Earn:

- Grindabuck offers a small bonus for daily use, so you'll want to log-in on a consistent basis. There are also a number of monthly achievement bonuses.

Payment Methods: Grindabuck payouts include PayPal money; Amazon, Walmart and VISA gift cards; and cryptocurrencies like Bitcoin, Ethereum and LiteCoin. Sadly, you can't cash out for [Dogecoin](#).

Minimum Withdrawal Amount: There are three “VIP levels” (bronze, silver and gold), and the minimum withdrawal amount ranges from \$1 to \$10 depending on your level.

Time to Get Paid: Once you cash out, you’ll receive your free PayPal money, gift cards or cryptocurrency almost instantly.

Click this link <http://grindabuck.com/> to learn more, register and start earning.

- Fiverr (<https://www.fiverr.com/>)

Fiverr is one of the biggest marketplaces on the internet to sell your services. You can offer your service gigs starting from \$5 to \$1500.

Fiverr is the only full-time job for many freelancers on the Internet. Offer services like graphics design, web design, writing, proofreading, coding and more.

This website accepts PayPal account to send or receive payments.

Website: <https://www.fiverr.com/>

- Babbletype (<https://babbletype.com/apply-for-work>)

Babbletype is open to hire proofreaders, transcriptionists, and translators from many parts of the world. Payments are weekly via PayPal.

Website: <https://babbletype.com/apply-for-work>

- ***PostLoop***

PostLoop is a website that lets you make money by posting on forums or commenting on blogs. PayPal is handy in transactions.

Website: https://www.postloop.com/users/sign_up

- **StartUpLift:**

StartUplift is another site to get paid to test websites that don't require a microphone or a screen recorder.

You just have to send your feedback in written form. It is helpful for those users who feel nervous while speaking on the microphone.

You need an active PayPal account to finish the signup process on this website. For one completed test they pay around \$5 and payments will be issued every Monday.

Here you can join **StartUpLift** and start working.

Website: <https://startuplift.com/submit-your-startup/>

- **TestingTime**

When you want to earn more and can work hard, you should try to apply for this website.

This is one of the few companies to get paid to test websites that not only does remote website testing but also conducts testing studies.

You must install and use Skype to interact with the client while testing their website.

The test may take around 50-90 minutes and a pay scale of \$50 (or above) will be deposited directly to your PayPal account within 10 days.

Try **TestingTime** here and start working.

Website: <https://www.testingtime.com/en/become-a-paid-testuser/>

- **Validately:**

Validately is one of the best platforms to get paid to websites as it offers different types of tests like talk aloud tests, live tests and also normal website testing jobs.

A simple task may take five minutes on average to complete, but the pay is only \$5 to \$10 per test. The live tests take approximately 30 minutes to complete and pay is at least \$25 per test.

All payments will be done through PayPal within seven days of completing the test. Signup for **Validately** and start working.

Website: <https://panel.validately.com/signup>

- **Userlytics**

Userlytics is a useful app to get paid to test products like websites, apps, prototypes, videos, and advertisements. Tests will be performed for start-ups and well-known corporate companies.

You have to record while taking a test. Their tests usually take about 10-20 minutes. You will earn \$10 per test. Try *Userlytics* and start working.

Website: <https://www.userlytics.com/tester/>
